CLASSE 100A12B Audio internal unit

CLASSE 100A12C Audio internal unit

CLASSE 100A12M Audio internal unit

CLASSE 100 features a minimalist, discrete, and elegant design, enhanced by the white glass effect finish, for perfect integration in all types of decors. With the CLASSE 100 range, answering calls, and opening entrance door locks, becomes much more simple and intuitive. The easily recognised main function keys are grouped in an easy to identify circular section, which also becomes the distinguishing element of the whole range.
